#### (Additional Information)

As for the impairment of non-current assets and tax-effect accounting, etc., we estimate future cash flows, recoverability of deferred tax assets and other matters assuming that the negative impact due to the spread of COVID-19 on our business results will continue until the end of the current consolidated fiscal year, even though the impact will gradually diminish going forward.

(Notes to the Quarterly Consolidated Statements of Income)

#### Subsidies income

Employment adjustment subsidies, which are subsidies provided to cover salaries, etc. for the period during which employees were furloughed, as well as subsidies, etc. received from the national government, local municipalities, etc. following the spread of COVID-19, have been posted to "subsidies income."

#### Loss on COVID-19

Following the issuance of the declaration of state of emergency due to the spread of COVID-19, we implemented a measure to furlough (special leave of absence) all employees in principle. In addition, karaoke cabins and restaurants operated by the Company as well as those operated by our clients were required to close temporarily, following the requests from the national government and local municipalities.

In light of these events, fixed costs of karaoke cabins and restaurants operated by the Company during the period of closure and fixed costs in relation to leasing of commercial karaoke equipment, including salaries for the period during which employees were furloughed, have been posted to "loss on COVID-19."
